Dear Mr. Stoner:

Per the provisions of 23 CFR 450.216, the Illinois Department of Transportation (IDOT) hereby presents an administrative modification to the current Amended FY 2009-2012 Statewide Transportation Improvement Program (STIP) for the American Recovery and Reinvestment Act (ARRA) funded projects.

Attached is a project listing of a local ARRA funded project that is changing improvement type. The public involvement has been fulfilled as part of the prior STIP requirements. The local ARRA funds are identified in Addendum 1 of the FY 2009-2012 STIP. The approved ARRA projects are eligible for 100 percent local federal ARRA funding. We will post this modification on the IDOT website for public information.
